When he went home for the Easter recess, Vanik had made up his mind to vote for the Administration's proposed five-year extension of the reciprocal or freer trade agreements. This is, of course, New Deal measure, establ ed in 1934 and later adopted by the Modern Republicans.

southside Cleveland, Vanik met a lot of his constituents from the Steelworkers' union and other Labor groups who had lost their ecause of the ever-extended 1934 trade agreements. Lowpaid workers in Japan had forc-ed the Cleveland steelspring industry to the wall.

Socialized workers in West Europe had done the same for the wood-screw industry. In the Congressman's office I saw a form letter signed by something like 5,000 wage-earners who said their jobs were jeopardized by foreign imports.

I UNDERSTAND that over 100 such letters, representing thousands of workers from the 21st District of Ohlo have been sent to Congressman Vanik, begging

So, what is Vanik going to do? His political ambitions tell him that to get reelected in November he had better go along with the popular trend of his District or at least duck the issue if

Statement in Favor of Sewer Bond Proposition

The future of Palm Springs, not only as a growing, thriving community, but as "America's Foremost Desert Resort," depends upon many things. One of our prime necessities is the planning and installation of adequate sewer facilities. Now is the time to schedule this inevitable need.

An ever-increasing number of cesspool failures have been recorded in EVERY section of the city. Thus the problem is not localized to any given section of Palm Springs and indicates widespread impending trouble and unnecessary expense for residents throughout the city.

The plan on which you are being asked to vote will make it possible for you to connect to an adequate facility should you and your neighbors desire to do so. There is nothing in the plan that will force you to connect. There are no monthly service charges. There are no connection fees.

This proposal is truthfully a citizens' plan for the future; one which will allow Palm Springs to maintain adequate sanitation facilities to meet the needs of people for a clean, healthful place to live, shop and relax. Your faith in the future demands that we protect Palm Springs through acceptance of this worthwhile project and the development of sewer facilities commensurate with our other growth.

We, the undersigned, urge you to vote YES on the sewer bond proposal. We believe it represents not only the most beneficial approach to the problem but one that will be acceptable to ALL the people.

CESSPOOL AND SEPTIC tank failurues in past two years are recorded on this map by Director of Public Works Frank Hamerschlag to indicate the amount of trouble that has occurred here. A survey by the Public Works Department shows that during 1956, 591 cesspools and septic tanks were installed, and 204 failed. In 1957, 571 were installed while 212 failed. In counting the

CANDIDATE FOR SUPERVISOR 4th DISTRICT INTRODUCED BY SHERIFF JOE RICE

"Thank you Sheriff Joe:
First, I want to thank our host, Steve, for the fine food and get together.

I am a candidate for supervisor of this 4th district. I have en a tax payer in the 4th district of Riverside County 14 years this month and have been in business here 13 of these 14 years. I should know its needs. I am not in any business at present, and, if elected, I will devote my FULL TIME to this important job.

I believe in honesty in all my dealings, as well as in campaign pledges and promises, therefore, I am not going to make you a lot of promises here. The 4th district has been good to me. If elected I will do my best to be fair for you and our 4th district in all my decisions, try to get taxes lowered, county expenses down, and keep as much as feasible of the 4th district tax dollar in the 4th district. You know as well as I do that our taxes in the 4th district are far too high for what we get.

This is a NON PARTISAN office, although I am a registered Republican, "party" should not enter into this election. If elected I shall serve all of you to the best of my ability. I shall appreciate your support and vote on June 3rd.
